

CURRICULUM VITÆ (CV)

Name : INAS HASAN ABED

Email: khalidaljourany@gmail.com

Address: Al-Muqdadia – Plestaine st. -Diyala - Iraq.

Phone :+964 7737889981

Date of Birth :06/05/1985

Nationality : Iraq.

Social status : Married and I have two daughters.

Qualifications :

Educational attainment:

1- Bachelor degree (B.SC.) in Mathematics . University of Baghdad college of science on 2009.(Iraq)

2- Master degree in mathematics and computer science from college of science /university of Saratove state in Russia on 2017.

During my master's studies in mathematics and computer science at the Saratov State University for Research, all requirements were completed, including theoretical and practical courses, such as linear algebra, general topology, complex analysis and algorithm: construction, analysis and algebraic application of computer science, engineering theory of complex variable functions, computer systems and other materials. The research was published in an American magazine.

Scientific Certificates:

1- CERTIFICATE RUSSIA LANGUAGE ON 2015.

2- CERTIFICATE ENGLISH COURSE 2020.

LANGUAGES:

1- ARABIC 2- ENGLISH 3- RUSSIA

SCIENTIFIC PROGRAMS:

**1- MICROSOFT WORD, EXCEL. 2- LATEX 3- MATLAB
AND
OTHERS**

TEACHER :

I have a bachelors degree in mathematics from the University of Baghdad from the College of Science since 2009 and during this period I worked in the teaching profession in schools as a teacher of mathematics in middle school. A scholarship to study a master's there and actually in 2015 I started at the Faculty of Mathematical Sciences of the Saratov State National University for Research and completed my studies and obtained a master's degree in Mathematics Sciences from the University of Saratov in 2017 with a very good grade. Since 2017 until now I have been working as a contract at the University of Diyala in Iraq. During that period, I taught subjects: Calculus, Integral, Calculus, Advanced Calculus, Linear Algebra, and Functional Analysis. I supervised many graduate studies for fourth-year students at Diyala University in Iraq.
